About New Freedom Heritage

New Freedom Heritage, Inc. is a 501(c)(3) non-profit charitable organization that is working towards a better future for residents and local businesses. We are dedicated to the preservation and publication of New Freedom's rich history and culture and to the enhancement of our town's character.

We accomplish this in several ways:

- a) Recording New Freedom's history and making it available to the public.
- b) Preserving and enhancing the beauty and health of downtown New Freedom through mural, painting, community clean up days, and advocating for the preservation of green space.
- c) Organizing community events to enhance the cultural experience of our residents.
- d) Promoting the success of local businesses that invest in our community.
- e) Working with the local government as a collective voice of concerned citizens.
