About New Freedom Heritage

New Freedom Heritage, Inc. is a 501 (C) (3) non-profit charitable organization that is working towards a better future for residents and local businesses. We are dedicated to the preservation and publication of New Freedom's rich history and culture and to the enhancement of our town's character.

We accomplish this in several ways:

1. Recording New Freedom's history and making it available to the public: come to our Museum and see our displays, video production and interactive kiosk.
2. Preserving and enhancing the beauty and health of downtown New Freedom through mural painting, community clean up days, and advocating for the preservation of green space: come and see the progress being made on the Freedom Green.
3. Organizing community events to enhance the cultural experience of our residents: speakers from our neighborhood sharing their past experiences, movie nights, Halloween trick or treat.
4. Promoting the success of local businesses that invest in our community.
5. Working with the local government as a collective voice of concerned citizens.

About the New Freedom Fest -- Saturday, September 16, 2023 – 10 AM to 5 PM

New Freedom Heritage will again host the New Freedom Fest. The Fest is an old-time "festival of small town life". It includes music, all day 'free' concerts and entertainment on three stages, arts and crafts, including demonstrations, animals, including a pet parade and pony rides, food and drink vendors, children's games and crafts and much, much more – all centered around the beautiful and historic town of New Freedom Pennsylvania.

Sponsorship

In an effort to raise money for the foundation, we have developed multi-level sponsorship incentives. By taking a sponsorship, you not only get great exposure for your business – you help your community!
